Step 2 – Start New Payment

On the e-Pay Tax page:

- Click on “+ New Payment”

The screenshot displays the 'e-Pay Tax' dashboard. At the top, a dark blue navigation bar contains links for Dashboard, e-File, Authorised Partners, Services, AIS, Pending Actions, Grievances, and Help, along with a session timer showing 1:4:53. Below the navigation bar, the page title 'e-Pay Tax' is followed by instructions on how to make a payment and a note about the status update process. A red rectangular box highlights the '+ New Payment' button in the top right corner. Below this, there are tabs for 'Saved Drafts', 'Generated Challans', and 'Payment History'. The 'Saved Drafts' tab is active, showing a table with columns for 'Type of Payment', 'Assessment Year', 'Saved On', and 'Action(s)'. The table is currently empty, displaying 'No rows to show.' and a pagination bar at the bottom indicating '0 of 0 pages'.

Terms and Conditions ✕

12. If account of the taxpayer/user is deducted but the status of CRN is not updated to "PAID", the taxpayer/user may re-check the status of the CRN after 30 minutes as the same may get updated after response received from bank to e-Filing Portal. In case, no such response is received during the said time, the taxpayer/user is advised to wait for one day as the e-Filing Portal will reconcile the CRN with the bank and update the CRN status accordingly. If status of CRN is still not updated, taxpayer/user is advised to contact the bank.

13. Once a payment is successfully made, e-Filing will not entertain any request for refund/reversal of the paid amount. The taxpayer/user is advised to make claim of such amount as tax credit during the filing of Income tax return of the relevant Assessment Year.

14. Any fraudulent transaction or misuse shall be dealt as per applicable laws.

Step 9 – Complete Payment Through Bank

You will now be redirected to your selected bank's payment page.

Complete the payment using:

- Net Banking
- Debit Card
- UPI
- Other selected mode

Now follow the process and complete the payment as per the selected bank guidelines.

After the successful payment, the payment receipt/challan will be generated.

If the payment gets unsuccessful and the money gets debited from your bank account, then do not panic. The amount will generally get credited back to your bank account automatically after some time as per bank processing timelines.

Please repeat the process for payment and make the tax payment again.
